

CUSTOM INTERIOR FLOORING

Tile, wood, carpet, terrazzo and marble... Until now, those were your flooring choices and each has obvious disadvantages to add to the lack of design options. Custom Interior Flooring by Elite Crete Systems raises the standard of floor covering options, offering flooring finishes that are not only much more durable than conventional flooring products but completely customizable with unlimited color, design and pattern choices.

BENEFITS INCLUDE:

- Literally unlimited design options. If you can imagine it, we can do it.
- So durable, you can drive a semi truck on it. You can't say that about typical flooring products.
- Maintenance is so simple. Mop it and wax it. Done.
- Will not stain like carpet or tile grout lines.
- Will not crack like tile from the impact of something being dropped on it and will not gouge like wood flooring.

IDEAL FOR:

- Retail stores
- Hotels and casinos
- Living spaces
- Office buildings
- Schools and colleges
- Auto dealership showrooms
- Garages and large parking garages
- Medical offices
- Sports arenas
- Shopping malls
- And so much more...
